SAVE THE DATE

Global Oncology, Local Impact:

Bidirectional Partnerships in Cancer Research

A FREE, two-day event focused on cancer equity, collaborative research and funding strategies to improve outcomes in low- and middle-income countries.

Share Your Research at the 2027 Global Oncology Symposium

Trainees are invited to submit scientific abstracts for the Trainee Abstract Submission and Presentation Competition. Add your research and perspective to a conversation focused on cancer equity, collaborative research and funding strategies to improve outcomes in low- and middle-income countries.

Scan to submit an abstract.

Abstract submission opens September 1, 2026

Submit by November 15, 2026

Event registration details are available.
